August 2<sup>d</sup> 1795

Gentlemen

When I addressed you last January, I did not think there would have been any necessity of repeating the request I then made for an increase of salary, but as the Electors thought proper to limit what they then granted only to Rosasanah next, I find myself obliged to renew my solicitation for your interest in my behalf with this addition that whatever may be granted to be done permanently by contract under the seal of the corporation during good behaviour.

You will therefore be pleased to convince the Electors to reconsider the subject as mentioned in my former address & in so doing your will greatly oblige.

Gentlemen

Your most humble serv.<sup>t</sup>

G. Seixas Hazan

K. K. Shearith Israel

The trustees of K. K. Shearith Israel in New York.
