

**Nova Iorque, 8 Setembro 1795. Carta de Gershom Mendes Seixas a Manuel Myers,
sobre o aumento do seu salário.**

(Nova Iorque, American Jewish Historical Society, Jacques Judah Lyons P-15)

New York 8th Sept.^r 1795

Sir

I certificate under your signature has been just handed to me by Dr. Lyte, clerk of the Board of Trustees of K. K. Shearith Israel, moving me in addition to the sum I now have under contract at the rate of twenty pound p.^r annum for three years. This not being in conformity with the letter I wrote to the Trustees is of none effect. You will therefore please to convene the Electors again and inform them “that I expect whatever is done in my behalf be done & fixed permanently with and any reference to the contract I now profess”. Such was the tenor of my former letter if they have not understood me it is not any fault the language (I think) was vilain and decent and it was written early enough to have been determined long are this.

I am

Sir

Your most obdt. serv.^t

G. Seixas Hazan

K. K. Shearith Israel in New York

Mr. Manuel Myers

President of the Board of Trustees K. K. S. I.
